Dear Families

This week we have been reflecting on the season of Lent, thinking about the image of Jesus going into the desert for forty days. Lent invites us to pause, look inward, and allow a process of renewal to take place. In our assemblies we have been talking about the importance of doing the right thing and looking inward, even when it is difficult and even when we would rather not. Lent is not simply about giving things up. It is about becoming better people through prayer, sacrifice and acts of kindness, and recognising that even the smallest choices we make can have powerful ripple effects in our community. As we reflected in assembly, *small actions can have big consequences*, and when we choose mercy and kindness we help transform the world around us. This is at the very heart of The Greyfriars Way.

It has been a busy and inspiring time in school, stretching across half term and into the start of this new term. During half term, our Year 10 Kenya team travelled to Kenya. After a long and challenging journey, they have thrown themselves fully into the experience: working in medical centres, helping to build homes, and even learning how to milk cows! They have had a rich and varied time, and we are very much looking forward to hearing the many stories when they return. Experiences like this remind us how powerful service and solidarity can be.

I was also honoured this week to represent the school with Mr Greer at an Iftar hosted by [the Dialogue Society](#) at Mansfield College, Oxford. (Here we are!) The Dialogue Society is a community organisation committed to building understanding between communities and celebrating the diversity that is such a strength in our country, and especially here in Oxford. It was a joyful and thoughtful evening and a reminder of the importance of dialogue, respect and friendship between faiths.

Of course, our Lenten journey began in school with our Mass at the end of last term, and as we continue through this season we will keep reflecting on how we can live out the Greyfriars Way — choosing mercy, kindness and courage in the small decisions we make every day. We know that our students will also take a lot from their Rome Pilgrimage, which is also leaving next week.

Thank you, as always, for your continued support of the school community. I wish you all a peaceful and reflective weekend.

With very best wishes
Lyndsey Caldwell
Headteacher

WHAT IS GOD'S MESSAGE FOR ME THIS WEEK?

Gospel - Matthew 4 : 1 - 11

Jesus Is Tested in the Wilderness

¹ Then Jesus was led by the Spirit into the wilderness to be tempted by the devil. ² After fasting forty days and forty nights, he was hungry. ³ The tempter came to him and said, "If you are the Son of God, tell these stones to become bread." ⁴ Jesus answered, "It is written: 'Man shall not live on bread alone, but on every word that comes from the mouth of God.'" ⁵ Then the devil took him to the holy city and had him stand on the highest point of the temple. ⁶ "If you are the Son of

God," he said, "throw yourself down. For it is written: "'He will command his angels concerning you, and they will lift you up in their hands, so that you will not strike your foot against a stone.'" ⁷ Jesus answered him, "It is also written: 'Do not put the Lord your God to the test.'" ⁸ Again, the devil took him to a very high mountain and showed him all the kingdoms of the world and their splendour. ⁹ "All this I will give you," he said, "if you will bow down and worship me." ¹⁰ Jesus said to him, "Away from me, Satan! For it is written: 'Worship the Lord your God, and serve him only.'" ¹¹ Then the devil left him, and angels came and attended him.

Reflection

Matthew 4:1-11 details Jesus' 40-day fast in the wilderness and his subsequent temptation by the devil, serving as a pivotal moment of preparation for his public ministry. Jesus overcomes three distinct temptations—physical hunger, testing God, and idolatry for power—by quoting Scripture, demonstrating his obedience to the Father and triumphing where Adam and Israel failed. This passage is the inspiration for the 40 days of Lent, where we fast and rely on God, just like Jesus did.

Infinite God, You hold time in your hands. Thank you for meeting me even in the ashes of this broken world, calling for repentance and bringing salvation. During this season of Lent, may I hear Your call in the present and every day, find You in deep waters as I turn my heart to You, and follow on the highway that draws us closer in love. Amen

GENERAL NOTICES

Catholic Life | Mr Greer

On Monday, our Catholic Life Ambassadors hosted guests from the Oxford Community Land Trust, working to build a strategy on affordable housing in Oxford. Students have excelled this year at putting Catholic Social Teaching into action, and this new partnership will help us fight for the dignity of the most vulnerable in our city.

On Wednesday, Year 8 Ambassadors had their first meeting in a new enrichment session. It's exciting to see them emerge as young leaders, and they have been tasked with developing a retreat programme for Year 8 that will occur in the summer term.

We wish our Muslim students and families a happy Ramadan. In our Catholic season of Lent, we come alongside you in a time of continued prayer, fasting, and almsgiving. Ms. Caldwell and I attended an Iftar dinner with the Oxford Dialogue Society on Thursday to mark our commitment to shared understanding and respect.

We go on our Rome pilgrimage next week, and so are finishing our final preparations. Pray for us!

School Lunch Accounts

Please remember to regularly check your child has enough funds in their ParentPay lunch accounts and if this is running low please top up. Students will be unable to purchase food in the restaurant if they do not have enough funds in their account. Please note that we are a cashless school and cannot accept cash for lunch payments. If you are having trouble accessing your ParentPay account, please contact the school.

Assistant Site Manager Vacancy

We are looking to appoint a reliable, self-motivated person to support the Head Caretaker at Greyfriars Catholic School.

The successful candidate would, ideally have previous experience in a school environment. They must have the ability to display a conscientious and logical approach to the variety of tasks necessary for the smooth running of the school. The role will involve the unlocking and locking of the school as well as ad-hoc maintenance and repairs.

Library News | Miss Brett

Hello, everybody! Welcome to the best week yet! I am literally bursting with pride! Starting today, 21 is my favourite number. Do you know why?

You might remember the Stranger Sagas competition, and the Enrichment workshops we ran in one of our previous terms. Well, guess what! Here's the news I have received this week.

Yes, you guessed it! **21** of our wonderfully talented students are getting published in the "Stranger Sagas – Beneath the Surface" collection that comes out in April! This is an unbelievable achievement – **CONGRATULATIONS!** As of April, you will all be

published authors!!!! (apologies, my pride and excitement often show through the number of exclamation marks!!!). Also, to all the fantastic writers, who submitted their stories begrudgingly – I told you it was worth it 😊 - well done and keep writing!

I will brag again when we get our free copy of the published book!

Now, a smooth transition into the next great thing.

Here's the timetable of lunch time activities to enjoy in the library. Don't forget, there will be other exciting things happening around the school, including talks and workshops by writers, illustrators, and other professionals. These provide unforgettable experiences and an opportunity to find out what it's like in the real world.

AAAAND... Stranger Sagas competition is back! Come to the library and grab your entry form, so you can have the chance to be published in the next book.

Weekly Book Review by Lian

A very simple, cosy and cute manga which is all around soft to read. It's extremely heart-warming and can definitely be the pick-me-up a person would want in times of slightly anxiety or stress. There's light-hearted jokes and the plot line following a rather kooky but sweet cat's journey with found family is genuinely pleasant.

The manga also has easy to follow panels- being both clear and straightforward so you can totally feel the whimsy as you enjoy Chi's journey.

All in all I believe the manga is *paw-sitively* adorable!

Cricket | Miss Kenneford

On Thursday 26th, we were delighted to welcome **Charlotte** and **Richard** from **Oxfordshire Cricket** to deliver a fun and inclusive cricket session for our students.

The session included bowling, batting, fielding and a quick game to finish. It was wonderful to see the students fully engaged and enjoying themselves, and even better to watch their confidence grow throughout the afternoon.

We can't wait to welcome them back again soon!

Message for Year 7 | Mr Cunningham

It is wonderful to have everyone back at school after what I hope was a restful half term, and it is equally wonderful to have everyone coming to school and leaving in the daylight. As we move into Lent as a school we are focussing on the preferential option for the poor, and how we as members of the Greyfriars community can support those around us who are less fortunate than ourselves.

As a year group, we are reflecting on our assemblies from last term, particularly in relation to building a sense of belonging and the idea that attendance matters, it is so important to our school that students are in and involved in what we do collectively, and each form group has their own targets and plans for how they can help students improve their attendance!

Our year group achievement points are off to a flying start, with year 7 receiving over 1500 points this week!

Year 9 Duke of Edinburgh Expedition Training Day | Miss Kenneford

On Wednesday this week, our Year 9 Duke of Edinburgh students took part in their Expedition Training Day, delivered by Richard from The Oxford Boat Adventure. Students developed key expedition skills, including map reading and navigation, understanding the importance of nutritional food to fuel their bodies, cooking safely on a Trangia stove, and pitching tents correctly. The hands-on sessions helped build confidence, teamwork, and independence as they prepare for their upcoming expedition.

Well done to all involved for their enthusiasm and positive attitude throughout the day.

Year 10 Update

Year 10 students have been working incredibly hard in lessons and are responding positively to feedback from their Pre-Public Examinations (PPEs). It has been fantastic to see so many students taking on board teachers' advice and actively putting it into practice — a real sign of maturity and commitment to improvement.

We are also very proud of the amazing opportunities our Year 10 students have been involved in recently, including unforgettable trips to **Kenya** and **Rome**. These experiences have been enriching, inspiring, and a wonderful reflection of our students' enthusiasm and engagement.

A reminder that **Parents' Evening is next Thursday**. Please ensure you sign up using a browser to secure your appointments. We look forward to seeing you there.

Year 10 Hospitality and Catering | Mrs Awanyo

Our Year 10 students recently enjoyed making and frying their own doughnuts as part of their Food Technology lessons. They developed their skills in dough preparation, safe frying techniques, and kitchen hygiene — all while producing some delicious results!

Well done to Year 10 for their enthusiasm, teamwork, and fantastic effort.

Work Experience Week Y12

All Y12 students will be on Work Experience next week. Students who have not secured a placement outside of school must be in school every day from Monday to Friday. The week in school will include work related projects, speakers and activities for students to consider their future career. All Y12 students have a booklet to complete to reflect on their learning and students in school and out of school will be given feedback on their work related skills.

We know it will be a valuable week for everyone.

PPE Week 1

Our Y13 students have been working hard this week on their exams. These exams are so important for students to reflect on gaps in their knowledge before the final summer exams. They continue for one more week and then, we look forward to our Y13 returning to lessons on Monday 9th March.

UCAS Trip Y12

A reminder that our UCAS trip takes place on Monday 23rd March. Spaces for this event are limited so students must sign up via ParentPay as soon as possible. On the day, students will be able to speak to teams from Universities around the country and ask about admissions, careers, and courses. There are also many leading apprenticeship providers at the event so students can speak to potential employers and young people currently on the apprenticeship pathway. Perhaps the best bit, for some students, is the bagful of freebies and goodies they can pick up from the different exhibitors!

Greyfriars Literary Festival

We are really excited to be supporting the Library with the Greyfriars Literary Festival which starts on Monday. A small number of our Y12 students are completing their work experience as Festival Runners. They will be helping Mrs Brett with the day to day smooth running of the festival. Additionally, we will have lots of opportunities for our Y12 who are in school to attend some of the festival events and work with younger students.

Message for Year 8 and Year 9 | Mrs Reddy

This week, I am delighted to recognise the exceptional effort and enthusiasm shown by our Y8 and Y9 students in History with Mr Kenan. Lorenzo, Zabrina and Caleb have demonstrated outstanding engagement in our recent lessons on the American Civil Rights Movement. Their thoughtful insights and strong understanding of the topic have truly set them apart.

Paulo, Damir and Deven have shown admirable dedication during our study of the Second World War. Their meaningful contributions to class discussions and impressive subject knowledge have not gone unnoticed. Saron, Rafael and Kaylun have approached the challenging topic of the Holocaust with maturity and respect. Their reflective engagement and consistent effort are highly commendable.

Ephraim, Sherry, Abdullah and Lucas also has a fantastic session with Oxfordshire Cricket. They participated with great energy and enthusiasm, making the most of every activity.

A special mention goes to Kali Reynolds for her positive attitude and active participation in lessons. Congratulations as well to Ricardito and Gaundencio for their excellent progress in English, and to Sekou and Kaicy for their remarkable improvement in Maths.

These students are shining examples of what can be achieved through focus, curiosity and perseverance. We encourage all students to follow their lead, ask questions, engage fully and always strive to give your very best.

Well done to everyone recognised this week. Keep up the excellent work!

Stars Pathway Weekly Highlights | Mr Jubin

The first week back after half-term saw our pupils return with energy levels that could rival a double espresso! It was a week full of curiosity, creativity, and plenty of “aha!” moments.

In **Science**, Dr Rogers guided our young experimenters as they investigated pressure. Using a Newton meter, pupils measured the weight of various stones, discovering firsthand how even the smallest pebble can pack a surprising punch. Who knew physics could be so hands-on... and so heavy?

During **Life Skills**, our pupils dabbled in the artistry of the Union Jack. Armed with red, white, and blue paints, they explored colour mixing, texture, and their own creative flair. While the real flag is all strict lines and symmetry, our pupils took a more expressive approach—celebrating individuality while developing fine motor control and a flair for drama.

History lessons transported us back to medieval England, as pupils role-played the Peasants’ Revolt and the Black Death. It was dramatic, immersive, and – luckily – entirely plague-free in our classroom!

In **Soft Landing** with Mrs Swanton, pupils built miniature farm scenes, complete with animals and houses. This tactile activity fostered problem-solving, fine motor skills, and lively discussion about the farmyard inhabitants. Our future architects (and perhaps farmers) were very much in their element.

It has been a joy to watch our pupils dive into learning with enthusiasm, imagination, and a dash of mischief. Here’s to another week of discoveries, creativity, and perhaps a little more controlled chaos!

Astroturf

Please remember that your child needs Astroturf trainers
or turf football boots – see the picture adjacent for
examples of the shoes that are permitted.

Students wearing the incorrect footwear will not be
permitted on the Astroturf.

Football boots can be bought for as little as £4.99 via
Sports Direct (Sondico ones).

We will hold some spare boots to lend to students if necessary, however, these are to be returned
at the end of the lesson. This way we can ensure we always have a supply of boots for those
students who forget theirs or are in the process of buying their own.

If anyone has spare Astro shoes that they would like to donate to the school, this would be much
appreciated. These would be used or students to borrow as explained above.

Rugby Club

Great work so far, everyone, in our Rugby Club. We have been very impressed by your enthusiasm and ability to pick up new skills so quickly – and we're only in week 3!

As a reminder, we have worked on the fundamentals of rugby play:

- Run forwards, pass backwards
- Shoot the ball from the hip like a rocket
- Evasion - Stepping and swerving
- Chicken scratch on touch
- Retreating in defence

We'll continue to build on these skills in the coming weeks.

We plan to enter teams into the England Touch Schools Championship in the Summer Term – so something very exciting to work towards. Take a look at this video for some more details about the Touch game.

If you are interested in doing a bit more rugby, then please consider coming along to Oxford Quins RFC. We train at the Horspath Sports Ground, OX4 2BR on a Wednesday evening at 6-7pm or 7-8pm (depending on age group). And we play fixtures on a Sunday. It was a proud week for us at Quins, as Grey Follau was picked for England's Six Nations squad. Look out for him on TV in the coming weeks.

Give your child an unforgettable school holiday filled with fresh air, freedom and adventure!

Set within 42 acres of stunning woodland in rural Oxfordshire at Youlbury, Boars Hill, children aged 8-16 will take part in a daily programme of non-stop outdoor action. With expert instructors leading the way, creating a safe and supportive environment where children run, climb, explore, and build confidence while unplugging from screens and having a blast with friends in the great outdoors!

What's on offer:

- High-energy adventures such as archery, ziplining, and climbing.
- Fun team building games and problem-solving challenges.
- Survival skills such as shelter building, backwoods cooking and fire lighting.
- Connect with the natural world with mindful activities, outdoor arts and crafts, wildlife spotting, and nature walks.

When is it:

- Running throughout school holidays - February, Easter, May, Summer and October (see website for dates).
- 9am-5pm daily.
- Early drop off (from 8am) and late pick-up (until 6pm) available.
- Participants can attend individual days, or the entire week.

Pricing:
£35 per day, per child. Save 10% on a 5-day block and each additional child.
